

**Long Term & Continuing Care
Association of Manitoba
Award for Excellence Nominations**

Attention Families!!!

Awards for Excellence are given each year by the Long Term & Continuing Care Association of Manitoba to honour the efforts and dedication of an outstanding person, team or volunteer who has provided **exceptional** service to clients/residents within the long term care continuum.

Do you know someone who goes “above and beyond” and works or volunteers in for example, a Personal Care Home, Supportive Housing Residence, Retirement Residence, (sometimes known as Assisted Living), and/or a Community or Seniors Resource Centre? Now you can let this person know how much they are valued!

Judging

An independent panel of judges will review all of the nominations and select the award recipients. The award is open to all staff, residents and volunteers for e.g. Home Care, maintenance and housekeeping staff, in the Province of Manitoba.

Note: LTCAM Board and Committee Members are ineligible. Membership in LTCAM is not required.

What to do next? Simply approach one of the management with your nomination.
